Hello people!

1) Traduza este trecho do site [INTERNATIONAL LITERACY DAY - September 8, 2021 | National Today](https://www.nationaltoday.com/news/international-literacy-day-september-8-2021/):

International Literacy Day takes place on September 8 every year to raise awareness and concern for literacy problems that exist within our own local communities as well as globally. International Literacy Day was founded by proclamation of The United Nations Educational, Scientific and Cultural Organization, or UNESCO, in 1966 “to remind the public of the importance of literacy as a matter of dignity and human rights.”

2) Neste outro parágrafo o site nos incentiva a agradecer **pessoas**, por inclusive estarmos lendo estas palavras:

We are grateful

Just thinking about how different our lives would be if we could not read or write makes us shiver. International Literacy Day gives us reason to pause and be thankful for the parents, grandparents, siblings, teachers and others who invested their time to help us learn to read and write when we were young. Our literacy is a treasure for which we are grateful.
