b) Rainbow Eyes, de Brian Wilson

Rainbow eyes, red yellow blue _____
Rainbow eyes, I see you
Splashing color everywhere that you go
Fireworks explode when you cross the room
The air I breathe shimmers with your bright perfume
Rainbow eyes, rainbow eyes
You paint the world with your love
Rainbow skies, up above
Rainbow eyes flash poetry
Rainbow eyes, can you see me
I wanna walk the world in colors with you
Oh pretty rainbow eyes when you flash my way
Confetti and balloons it's a holiday
Rainbow eyes, rainbow eyes
You paint the world with your love
Rainbow skies, up above
Lavender sunsets silver pink clouds _____
Park Avenue
Ever green beaches scarlet skies _____
Nights turquoise blue _____
Oh multi-colored you
My psychedelic you
