What a Wonderful World

Trees of (green / blue / red) and (grey / red / blue) roses too
I watch them bloom for me and you
And I think to myself
What a wonderful world

I see skies of (pink / black / blue) and clouds of (brown / white / yellow)
The brightness of day, I like the dark
And I think to myself
What a wonderful world

The (bubbles / colors / arches) of the rainbow, so pretty in the sky
Are also on the faces of people passing by
I see friends shaking (hands / arms / heads), saying "How do you do?"
They're really saying "I, I love you"

I hear (birds / boys / babies) cry and I watch them grow
They'll learn much more than we'll know
And I think to myself
What a wonderful world

The (bubbles / colors / arches) of the rainbow, so pretty in the sky
Are also on the faces of people passing by
I see friends shaking (hands / arms / heads), saying "How do you do?"
They're really saying "I, I love you"
I love you

I hear (birds / boys / babies) cry and I watch them grow
They'll learn much more than we'll know
And I think to myself
What a wonderful world
What a wonderful world
